

Dear New Kensington Resident,

We are pleased to inform you that County Hauling, a Noble Environmental company, was awarded the new contract for residential trash collection in New Kensington beginning January 1<sup>st</sup>, 2024. We look forward to continuing to provide New Kensington with a safe and efficient collection program! One big change with the new contract is that we will no longer be collecting every residence in the City on a single day each week. This means that some of you will experience a change to the day that your trash is collected. Please refer to the attached map and calendar to confirm your new collection day. Please keep in mind that New Year's Day falls on a Monday this year so the **first collection of the year will be delayed by one day.**

The following guidelines apply to all residential trash collection in the City:

- Trash must be out the night before your collection day after 6PM, or prior to 6 AM on the day of collection.
- All trash containers, as well as bulk items, must be within five feet of the curb (or five feet from the edge of a traveled road) and placed so as not to interfere with the collection of other items, block the right of way or obstruct traffic. Items not visible or otherwise obstructed from view will not be collected.
- All trash **MUST be bagged** before being placed in the trash can and each bag must weigh less than forty-five (45) pounds. Loose trash is a potential health hazard for our employees, is more difficult to collect and is a major factor in municipal litter.
- There will be a limit of ten (10) bags of trash and one (1) bulk item per week for each household.
- Bulk items shall mean large household appliances such as stoves, refrigerators, washing machines, furniture and furnishings and plumbing fixtures. chairs, tables, armoires, chests, headboards, couches, cabinets and dressers, and other items as agreed by the parties. It shall also mean mattresses and boxed springs provided they are covered in special bags made for that purpose. Pianos, organs, spas, hot tubs, and furnaces will be excluded from the definition of bulk waste.
- New Kensington residents are eligible to receive scheduled collection of electronic and household hazardous waste at no additional cost. This can be scheduled by visiting our website at <https://www.countyhauling.com/hhw-and-e-waste-recycling/>. Residents can also contact us at 724-929-7694 or by emailing [info@countyhauling.com](mailto:info@countyhauling.com).
- See the attached calendar for the Holiday collection schedule. If a holiday falls on a weekday, collection is pushed back one day for all days that follow.

Please call (724-929-7694) or email us ([info@countyhauling.com](mailto:info@countyhauling.com)) with any questions, and we look forward to continuing to serve your community!
